High Precision Paper Cutters

MT-92SHDR
MT-92SHSR
MT-92SSDR

The Digicut high quality paper cutters are more user friendly and come with a display panel of 7.0 inch with a flexibility of offering the color adjustment to the user. These cutters have high quality colors (25600) and their storage can reach up to 30, 30 and 170 groups respectively. Every group has 105, 105 and 250 cuts respectively, where its storage time can reach 300, 00 hours. They have multi-language operating interface and have luminous short key so as to ensure the high stability. The Digicut paper cutters are equipped with adjustable-pressure single-hydraulic clamp system (paper press by the hydraulic). Two valves are already combined from German ISO approved hydraulic units.

Model	MT-92SHDR Single Hydraulic Double Rail System	MT-92SHSR Single Hydraulic Single Rail System	MT-92SSDR Single Hydraulic Servo Double Rail System
Cutting width(mm)	920	920	920
Max.cutting height(mm) (Without auxiliary panel)	120	120	120
Max.cutting length(mm)	920	920	920
Main motor power(kw)	3	3	3
Net weight(kg)	2200	2200	-
Width with sideway(mm)	2120	2120	2120
Without sideway(mm)	1980	1980	1980
Machine length	2050	2050	-
Machine height	1560	1560	-
Front table length(mm)	690	690	690
Table height(mm)	900	900	900
Clamp pressure min(dan/bs)	150	150	150
Max. clamp pressure	35KN	35KN	35KN
Min. clamp pressure	1.5KN	1.5KN	1.5KN
Knife thickness(mm)	12.7	12.7	12.7
Grinding reserve(mm)	30	30	30
Without false clamp(mm)	25	25	-
With false clamp(mm)	90	90	-
Cutting speed(mm)	45	45	45
Voltage(three-phase)(v)	440 V	440 V	440 V
Packing size(L*W*H)(mm)	2320*1420*1850	2320*1420*1850	2320 x 1420 x 1850

High Precision Paper Cutters

MT-115D
MT-115S

The Digicut high quality paper cutters are more user friendly and come with a display panel of 10 inch with a flexibility of offering the color adjustment to the user. These cutters have high quality colors (25600) and their storage can reach up 170 groups respectively. Every group has 250 cuts respectively, where its storage time can reach 300, 00 hours. They have multi-language operating interface and have luminous short key so as to ensure the high stability. The Digicut paper cutters are equipped with adjustable-pressure single-hydraulic clamp system (paper press by the hydraulic). Two valves are already combined from German ISO approved hydraulic units and gear pumps from Italy.

The apparatus controlled system:

1. Adopts Switzerland ABB, German MULLER, Japan OMRON
2. Servo motor is from Japan YASKAWA
3. Air pump is from TAIWAN HOUBANG

Model	MT-115D	MT-115S
Cutting width(mm)	1150	1150
Max.cutting height(mm) (Without auxiliary panel)	165	165
Max.cutting length(mm)	1150	1150
Main motor power(kw)	4	4
Net weight(kg)	3800	3800
Width with sideway(mm)	2650	2650
Without sideway(mm)	2365	2365
Machine length	2465	2465
Machine height	1650	1650
Front table length(mm)	735	735
Table height(mm)	900	900
Clamp pressure min(dan/bs)	150	150
Max. clamp pressure	35KN	35KN
Min. clamp pressure	1.5KN	1.5KN
Knife thickness(mm)	13.75	13.75
Grinding reserve(mm)	60	60
Without false clamp(mm)	25	25
With false clamp(mm)	95	95
Cutting speed(mm)	45	45
Voltage(three-phase)(v)	440 V	440 V
Packing size(L*W*H)(mm)	2650*1500*2000	2650*1500*2000

THE PAPER BACKGAUGE CONTROLLED SYSTEM :

1. Roller ball lead screw : ABBA
2. Double rail guide way : ABBA

THE SAFETY PROTECTED SYSTEM :

1. Extensible and precise infrared protective device Control which is CE standard.
2. Blade-Replacement Device with safety and convenience.
3. Air cushion and chromeplating platform of photoelectricity protective device.
4. Underlay cutter frame.
5. The closed paper pusher frame.
6. Machine lock, safety bolting, the safety button and light grid.
7. The driving cutting part uses worm.

THE ACCESSORY WITH MACHINE :

1. Tool box: 1 set
2. Manual book
3. Operational CD
4. 2 Knife, One in Machine and another one
5. 5 Cutting sticks

WINNING Edge Solutions

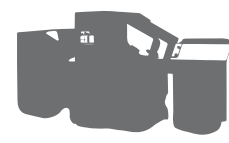

for your Printing and Packaging business needs.

▶ Offset

▶ High-end Digital Printing

▶ Digital Enhancement & Finishing

▶ Labels & Packaging

▶ Wide Format Systems

▶ Engineering Systems

• **18+** years experience

• **250+** expert manpower base

• **2500+** strong customer base
