Contex — WHEN IMAGING MATTERS

Resetting the future of MFP

User centered MFP system

Wi·Fi

Your personalized MFP solution
SD One MF is a new concept in MFP solutions. Centered around you, every user has a unique personal profile with their preferences stored, allowing you to email or save to your preferred folder or personal Cloud in just one step.

Unlimited
SD One MF fully integrates with all major printer brands, giving you the flexibility to link this powerful scanner with your choice of printer.

Move beyond your printer
With an onboard touchscreen tablet, you can mark-up and share without ever printing your files.

Cost recovery
Perfect for situations where you need to allocate costs, SD One MF has integrated print management software, allowing you to track the cost of every scan, copy or print.
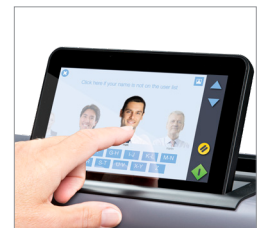

SD One MF is light enough to be placed on any flat surface like a printer.

Optional high stand to place over printer.

Low stand for side-by-side

Browse user profiles on the SD One MF and scan direct to preset destinations unique to each user.

Intelligent MFP, complete with built-in controller
